

Text ((a random slice of data))

What we see, what is there.

Revealing a random slice of data, of nature.

Alternate realities,

planes of reality, created by humans but with its own life force.

Organic, but digital,

Human control user interface,

Blue, why?

blue screen of death

clear blue light

blue sky

proven to be the most relaxing environment,

blue wide open space.

Affect and effect,

The I

The machine,

Am I in control or being controlled?

I can see my head

looking at the film

of the filmed

of the film

of the filmed

of the...

Pre defined.

Breaking the rules,

challenging the medium

Tension of controlling and controlled.

Letting go,

exploring,

revealing,

responding,

passive,

creating,

directing,

following the path.
